In calling the convention to order Mr. Thompson stated its purpose and that nominations for temporary chairman were in order. Dr. John R. Whiteside was nominated by acclamation, as was E. A. MR. CHAIRMAN:—

Your committee on platform beg leave to submit the following resolution as embodying the principles of the Democratic Party upon which it will nominate and present to the people of Mohave County its candidate to the constitutional convention to form a constitution for the proposed state of Arizona.

E. F. THOMPSON,
Chairman.
C. G. KROOK
S. W. TOBEY
JOHN ELLIS
J. P. RYAN

The Democratic Party of Mohave County, in convention assembled, take this occasion to proclaim with resentment the humiliating conditions and restrictions—heretofore unheard of in the history of our country—placed upon a free and intelligent people seeking statehood by the Republican Party, as being at variance with the Declaration of Independence, "to institute new government, laying its foundation on such principles and organizing its powers in such form as to

them shall seem most likely to effect their safety and happiness", and

Whereas, the Democratic Party in the past has given to this Territory legislation under which the material advancement of the Territory has been most satisfactory; has passed laws for the betterment of all interests, labor receiving just consideration, and

Whereas, we feel that the writing of the Constitution for the proposed state of Arizona can safely be entrusted to the Democratic Party, therefore,

Resolved, That we favor a constitution that will conserve all the rights and interests of the people, and keep the same inviolate;

That will be inviting to all desiring to come among us to invest capital and build homes, assuring to them the protection of all their rights;

That will secure a judiciary of the highest order, a long term of office, the election of which shall be apart from the election of any other office;

That will so guard our Public Schools and all educational institutions as to maintain the highest standard of education for all time;

That will leave all legislative matters to the Legislature for its future consideration.

The following county central committee: J. C. Wilson, Chloride; J. C. Lane, Cerbat; Harvey Hubbs, Yucca; A. Cornwall, Sandy; George B. Ayers, Goldroad and Oatman; E. F. Thompson, E. A. Shaw, J. R. Whiteside, John Mulligan, I. M. George, Kingman.

This committee was organized by the election of E. F. Thompson, chairman; I. M. George, secretary and treasurer; E. A. Shaw, assistant secretary; E. F. Thompson, J. R. Whiteside, E. A. Shaw and I. M. George were appointed as an executive committee.

After the adoption of the reports the next order of business was the nomination of a candidate for delegate to the constitutional convention. Henry Lovin and L. Hoffman were nominated, but Mr. Hoffman declining Mr. Lovin was made the nominee of the convention.

There being no further business before the convention an adjournment was had sine die.

Labor Party Convention.

The Labor Party of Mohave county was brought into existence yesterday when the delegates of the various precincts met in convention at the school house, in Kingman.

Perley E. Collings called the convention to order, W. R. Carter acting as temporary secretary. The chair appointed committees on credentials, order of business and rules, platform and resolutions, and the following committees were named:—

CREDENTIALS:—J. J. Connelley, W. R. Carter, Andrew Porter, Ulrich Grill and John St. Charles.

PERMANENT ORGANIZATION:—J. H. Richmond, Andrew Porter and Joseph Krauss.

WAYS AND MEANS:—John St. Charles, Ulrich Grill and W. R. Carter.

A recess of twenty minutes was declared to give the committees time to prepare reports. When the convention was again called to order the committee on credentials reported the following delegates entitled to seats in the convention:—

CHLORIDE:—Paul E. White, L. M. Quigley, John St. Charles.

UNION BASIN:—J. J. Connelley

CERBAT:—W. R. Carter and Hugh Robb.

KINGMAN:—Perley Collings, W. W. Clack, Peter White, T. J. Grant.

GOLDROAD:—Thomas Bosanko, Ulrich Grill, J. H. Richmond.

OATMAN:—Andrew Porter, Newt. Hart, Joseph Krauss.

MINERAL PARK:—John F. Flynn.

The Report of the committee was unanimously adopted.

The chairman announced the business that had called the delegates together as that of the nomination of a candidate of the party for delegate to the constitutional convention, and announced that nominations were now in order. Thomas Bosanko, in a stirring speech placed Kean St. Charles in nomination for the office of delegate, the nomination being seconded by J. J. Connelley and Paul E. White, Mr. White reading a paper on the good work of Mr. St. Charles for the cause of labor in the legislatures of which he was a member, which paper was ordered signed by the chairman and secretary and published as a greeting of the labor party to the people of Mohave county.

A committee was appointed to wait on Mr. St. Charles and he was brought before the convention, where he was required to sign an agreement to uphold the platform of the party in its entirety and on the floor of the constitutional convention, in the event of his election to the high office of delegate.

There being no further business before the convention, it adjourned without day.

Republican Party Convention.

The republican party of Mohave county met in convention at the Court-house in Kingman yesterday at ten o'clock. Delegates were present from many of the outlying precincts. After the appointment of the various committees required by convention procedure J. N. Cohenour was elected permanent chairman and George T. Warren secretary.

After discussion of the political situation in the county the convention adopted the platform of the Yavapai county republicans, but refused to make nomination for delegate to the constitutional convention. While the republican party in this county has many able men they one and all refused to make the race for the office of delegate. On this subject there was wide discussion, some of the delegates being in favor of the endorsement of a candidate, but J. W. Lane brought the discussion to a close by moving to adjourn, which was carried.

It may be possible that the central committee may see fit to nominate a candidate of the party, but it is hardly possible that there will be any endorsement of candidate of any other party.

Socialist Party Nominates.

Yesterday the Socialist party of Mohave county met at the business place of C. R. Van Marter and formally made Mr. Van Marter the candidate of the party for delegate to the constitutional convention. While many of the party have gone over to the new labor party there is still a desire on the part of the party to maintain its integrity as a party in the county, otherwise it might lose its identity in the elections under the new state regime. No other business was transacted by the convention, as usually the matter of nominations comes before the locals for confirmation by the referendum.

R. E. Yontz, who left here a week or more ago to make his home in Gallup, returned with his family early this week and will soon have his jewelry store in running order. He believes that Kingman is one of the best places on the line of the railroad and is sure he will be able to build up a nice business. Mr. Yontz is a good workman and deserves the people's patronage.

Mohave County in Third Class.

By the action this week in elevating the tax roll by about 138,000\$ the board of equalization moved Mohave county from the fifth class into a county of the third class. The roll now shows an assessed value for the county of 2,080,576.53\$. This shows in some measure the growth of the county, but even with this increase of taxable property of all classes. Property of Mohave county is really valued at from four per cent. to ten per cent. of its real value in the assessment, and only the very small cattle owners are assessed at anything like its real worth in property. Of course, some of the small property owners in the towns come in for an assessment of real value, but where the holdings run above one thousand dollars, then the percentage of value drops with each succeeding thousand dollars of value.

The board placed the levy for the year at the following:

General fund, all county purposes	1 90
Road.....	25
Jail Sinking Fund.....	05
School.....	50
Funded Debt.....	30
Territorial Road.....	05

Total. 3 15

Territorial levy..... 70

Total for Territory and County... 3 75

To this levy is added for Kingman school district bonds, which makes the levy in Kingman 3.85\$ on the \$100 of taxation.

This is the lowest levy in years, but the board estimates show that if there is a close collection of taxes that there will be a surplus in the treasury for the redemption of a large amount of outstanding warrants. These warrants have been drawing a big interest and it is the view of the supervisors that this outstanding floating debt should be cared for in some manner. Our laws do not provide for the care of this class of indebtedness, the board being without authority to issue warrants unless there is money in the treasury to care for them.

This indebtedness was incurred some years ago, when the County was unable to meet its demands.

For Delegate to the Constitutional Convention.

I hereby announce myself as a candidate before the people at the election to be held on the 12th day of September, 1910, as a Delegate to the Constitutional Convention.
